Weekly Bulletin in 30th October to 12th November 2021

This document is issued as part of Watetezi TV weekly bullet to inform the public on how Civil Societies Organization (CSOs) and human rights issue are covered in the media outlets. According to our media monitoring desk, the major CSOs issue featured in this week headlines is the ***EVALUATION OF THE DRAFT REPORT OF THE WORKING GROUP ON THE 39th UNIVERSAL PERIODIC REVIEW (UPR) SESSION OF 2021***. Tanzania Human Right Defenders Coalition (THRDC) in collaboration with other organizations Save the Children and the Legal and Human Right Centre (LHRC) have been coordinating the participation of Civil Societies in the UPR process on behalf of human right organizations in Tanzania. On 10th November 2021 these organization release press statement on the evaluation of UPR draft report at THRDC' office. Evaluation show that the received a total of 252 recommendations from various member states. 108 out of 252 (43%) recommendations were accepted by the United Republic of Tanzania while 12(4.8%) are considered and 132 (52%) recommendations were noted or not accepted. The percentage of accepted recommendations has decreased from 70% in 2011, 58% in 2016 to 43% in 2021. However, the UPR process for 2021 is not yet complete as this information is preliminary draft report of the working group and final reports are expected to be out in few days. Most of the recommendations accepted by Tanzania from the 39th UPR session (108 equivalent to 43% of the all recommendations) enshrines in Rights of women and children, Social rights including improvement of social services such as health and inclusive education, the rights of people with disabilities especially people with albinism and the right to progress in implementing national and regional development plans.
